Draft decision proposed by the Chairman following informal consultations

Integrated Management Information System

The General Assembly:

(a) Takes note of the eleventh progress report of the Secretary-General on the Integrated Management Information System,[1] of the revised completion date of the project and of the activities planned up to the completion of the project;

(b) Endorses the comments and recommendations of the Advisory Committee on Administrative and Budgetary Questions;[2]

(c) Requests the Secretary-General, after the full implementation of the Integrated Management Information System, to submit a comprehensive final report on the implementation of the system, including a full analysis of lessons learned and experience gained and addressing the issue of long-term strategy for further development of the system for consideration by the General Assembly at its fifty-sixth session.
